🤝 Staying Connected

In this season—and always—please know that you are not alone. If you need support, are navigating a challenge, or have something joyful you'd like to share, I hope you'll reach out. Staying connected helps us care for one another as a community 💙 Through our Hadar grant, we are strengthening the ways we show up for each other in moments of sorrow, challenge, and celebration. You can always reach the Rabbi by phone, email, or text.

🎉 Mazal Tov!

Mazal Tov to Michelle Waldman on the birth of her third great grandchild.

We need your help!

This winter has been especially harsh here in the Berkshires, and for some members of our community, the cold and snow have brought a deep sense of isolation. We are looking for volunteers who are willing to make weekly phone calls to check in and share a friendly conversation. A simple call can make a meaningful difference. If you are able to help, please contact Rabbi Rudin. Your time and kindness would be greatly appreciated.
