Sharing Memories: Words and Images

Join us on Wednesday, September 30th at 3:00 PM for "Sharing Memories: Words and Images," hosted by the Creative Arts Team of Congregation Ahavath Sholom. This special afternoon will feature essays and poetry written by members of our memoir-writing group.

Work by Linda Geffin, Arthur Hillman, Carol Killian, Marie Rudden, and Stephanie Sloane will be brought to life by three talented local actors, Sam Bittman, Frederikke Borge, and Gail Ryan.

Additionally, we will showcase a varied collection of images from our photography group that includes Barbara Barron, Bill Barth, Caroline Forsman, Arthur Hillman, Barbara Janoff, Karlton Kemerait, Judy Seaman, Michele Waldman, and Jeff Zimmerman.

Our Memoir Workshop, directed by Barbara Janoff, and our Photography Workshop, led by Arthur Hillman, have been meeting monthly for eight years, and this presentation is representative of their creative work. We invite you to enjoy an afternoon of creativity and community.

Light refreshments will be served. Admission is free; donations are appreciated.
