Mar 29

Wishing everyone a peaceful Shabbat and weekend. We're getting ever closer to Spring and our hearty Berkshire bulbs are already doing their thing...neither snow, sleet nor freezing winds are deterring these happy harbingers of the coming warmth. The birds and the young frog peepers are filling the air with the sounds of hope. We all long for that hope to be realized speedily.

I hope you will SAVE THE DATE, next Friday, April 5th, at 5 PM at our synagogue, to welcome Rabbi Jennifer at our service. Let's hope the weather cooperates this time!!!!

See you soon and be well,
Barbara
