## Monday January 24 at 7 PM Photography Workshop

Participants in the workshop can submit any images they would like discussed regardless of subject matter or content, using phone or camera. It would be useful to send " before and after" files of any photos that are edited in Adobe Workshop. We will examine and work with a few basic Photoshop tools during the session to help those who are new to the program feel more comfortable with the software. These workshops are stand-alone sessions, open to all. Please RSVP and send digital files to [arthurhillman54@gmail.com](mailto:arthurhillman54@gmail.com).

Suggested donation to CAS is \$10 to support our Creative Arts Programs.
