May 12

Good morning and Shabbat Shalom to you all. Let's get together tomorrow morning at the shul for some study time with the weekly Torah portion, Behar-Bechukotai, Leviticus 25:1-27:34 and the accompanying Haftarah Jeremiah 16:19-17:14 as our jumping off point. You can read in advance if you like or come, open and interested to be a part of where our wide-ranging conversations may lead us...no one ever knows. Hope to see you then.

What we own, what we are responsible to share, how we treat others, what our Torah says about the consequences and accountability...all food for some good Ahavath Sholom conversation.

Enjoy this beautiful day, spend some time with us tomorrow, if you can, and breathe deep into this glorious spring air. Stay healthy, strong and find positivity anywhere you can...  
With love and peace, Barbara
